## PROFESSIONAL SUMMARY

Currently attending coding boot camp at UT Austin to pursue my dream to become a full stack web developer. I am hardworking, self-motivated, enthusiastic web developer with a deep interest and passion in creating visually and enriched web experiences. As this area compliments my studies, I am motivated to gain more experience and excel in this field. Constantly improving proficiency with essential tools and technology to advance my knowledge in this line of work.

## WORK HISTORY

**Brand Ambassador, Bartender, Sales, 05/2018 to Current**  
**Still Austin Whiskey Co. - Austin, TX**

- Took customer orders and capitalized on opportunities to sell special beverage and food options
- Developed new signature cocktails to support bar marketing brand and increase profits
- Maintained relationships with restaurant vendors to facilitate effective inventory management and implement cost controls
- Developed unique drink and cocktail offerings on monthly basis as part of seasonal offerings

**Delivery Supervisor, 07/2017 to 08/2019**  
**Prep To Your Door - Austin, TX**

- Created rigorous and comprehensive quality assurance programs to provide timely and quality-based customer solutions and implementations
- Reviewed data deliverables to verify quality and traceability to requirements and adherence to all quality management plans and standards
- Maintained accurate logs of all deliveries and trips, proving details to management at end of each shift
- Directed drivers to shipping doors or designated areas and helped unload and load goods
- Updated clients on cargo and mail statuses by closely monitoring receipt and tracking processes

## EDUCATION

**Associate of Science : Biology, 05/2016**  
**Texas State University - San Marcos, TX**
